

DHD#4 Standardized Immunization Clinic Schedules

<u>Alpena</u>	3rd Wednesday of the Month	*10 am – 6 pm
<u>Cheboygan</u>	2nd Tuesday of the Month	8 am – 4 pm
<u>Atlanta</u>	4th Tuesday of the Month	1 pm - 4 pm
<u>Rogers City</u>	2nd Monday of the Month	8 am – 12 pm

*Note---When a late clinic falls the day before a holiday, the clinic time is changed to 8 a.m. – 4 p.m.

Appointments-Call your local DHD#4 office to schedule an appointment for Immunizations, TB Tests, or Non-Medical Waiver Education.

People that **walk-in** for immunizations have the option to schedule an appointment or wait until we have a no-show on the appointment schedule. Clients that have scheduled appointments do take precedence in the clinic flow.

Additional immunization clinics or staff are scheduled to meet the needs in the individual communities. Clerical Staff are responsible to contact the Administrative Services Director or Nursing Supervisor to inform when clinics are full and request additional clinics when needed.

Administrative fees for the Vaccine for Children (VFC) Program are waived when a child's parent or guardian do not have the ability to pay.

Private Insurance-Most private insurances are accepted.
